Subject: Review Response, Star Stone Quarries, Torrey Sandstone Quarry, M/055/016, Wayne County, Utah

Dear Mr. Thomas:

On March 30, 2005, the Division sent you a review of your Notice of Intention to Commence Large Mining Operations for the Torrey Sandstone Quarry. We requested that you respond to the review by May 2, 2005, but have yet to receive a response.

In order to finalize the permitting process for this mine, the Division needs to receive this response as soon as possible. Although we hold a reclamation bond for the site and have allowed you to mine in the areas currently disturbed, the site will not be in full compliance with the Mined Land Reclamation Act until your notice has been approved; gone through public notice; and a reclamation surety calculated, submitted and approved.

Please submit your response no later than December 1, 2005. Failure to do so may result in enforcement action and withdrawal of our approval for you to continue mining operations at this site.

If you have questions about this letter or about the review, please contact Paul Baker at 801-538-5261. We would be glad to meet with you and discuss the review.

Sincerely,

Susan M. White
Mining Program Coordinator
Minerals Regulatory Program
